

Fall Soccer 2009

In an effort to maintain the St. Mary's Athletic Association's mission of having an inclusive sports program, we have reviewed several options for your child(s) participation in our soccer program.

To accomplish our mission, we have aligned our soccer program with East Longmeadow's In-Town League. This is a great opportunity, as we are able to coordinate our practice/games fields with them and, in-turn, less travel time will be required for our practice and games.

Below is an outline of their program structure, which we will implement at St. Mary's Academy:

Grade based:

Kindergarten: co-ed and instructional

Grades 1-2: separate team for boys and girls

Grades 3-4-5: separate team for boys and girls

Grades 6-8: some opponents may be co-ed
